TO THE DONOR AMARA CHARITABLE TRUST

RE: Appreciation for Library donation.

My name is Anna Syokau Muthoni I am in class eight. I write to register my appreciation for the donation of the library. I take this opportunity to thank you for your donation. We usually visit the library twice a week. We are very interested with the books you donated and also the pens and geometrical sets. I know the donations will improve our academics as I hereby look forward with my full confidence to ask you to continue with the heart of giving.

Since we started visiting the library it has improved many parts in grammar and also in writing. It has also been a great effort to us as a school. What we can say to you is a lot of thanksgiving to you. Nothing else we can give to except taking care of the books and to leave a legacy behind us. The donations are used in the right way and we are taking care of them. Over and above we want to shine at the National examination.

You have been a great effort to us and may the almighty God bless you and add you more years on earth as you help our fellow siblings. Thank You.

Yours faithfully

Anna Syokau Muthoni
