Nairobi.

Dear Sushma and Nimish,

**RE: APPRECIATION FOR DONATION TOWARDS 25 BEDS FOR NADO ENTERIT
PRIMARY SCHOOL**

Please accept our sincere appreciation for your generous contribution of **Kshs 250,000/-** towards 25 beds for Nado Enterit school.

Your support comes at the right time, following the completion of two new dormitories at the school. The school is preparing to welcome learners into the dormitories as soon as the construction projects are formally handed over to the school management.

Your contribution will help ensure that the new dormitories are not only complete, but also well-equipped for the learners, providing a conducive environment for both learning and personal development.

A proper bed provides children with a secure, and dignified place to rest after a full day of learning. Quality sleep is essential for learners, enabling them to wake up refreshed and remain attentive in class.

The beds will be branded with your company's name, providing a lasting acknowledgement of your partnership and support. Learners and the school community will be reminded of the organization that helped make their new boarding facilities more comfortable and welcoming.

Given the traditionally nomadic nature of many families in the Nado Enterit community, families move from one area to another in search of pasture and water, making it challenging for children to attend school. The new boarding facilities will enable them to remain in school, and benefit fully from their education without being disrupted by the movement of their families.

Thank you for choosing to partner with AMARA in supporting this important initiative. Your contribution will have a practical impact on the learners.

We look forward to having you join us for the handover ceremony in **October**. The exact date to be confirmed.

Yours sincerely,

Smita Shah
Chairperson
